

Pro Modular Housing Solutions

A Division of V. I. Modular Homes Ltd.

A Smarter Way to Build.

Since the early nineties, modular construction has been using the exact same building code as site built. Today's modular will last as long or longer than site built homes will.

Modular home construction creates a much stronger and better built home, often costing 20% less to build than the same site built home would.

-  **Bungalows**
-  **Single Wide's**
-  **Two Story's**
-  **Multi-Family**
-  **Apartments**
-  **Condo's**
-  **Hotels**
